Re: *Doe v. Univ. of Md., College Park, et al.*, No. 1:23-cv-03507-RDB.

Dear Judge Bennett:

I write on behalf of and with the consent of all parties in the above-referenced matter to respectfully request that Your Honor withhold for a period of two weeks from the date of this letter the issuance of any memorandum opinion in support of the Court's April 15, 2024 order (ECF No. 54). The parties are currently engaged in productive settlement negotiations. The issuance of the Court's opinion while settlement negotiations are ongoing could complicate those negotiations or end them entirely. We understand that the Court is not beholden to the parties in the timing of its opinion and may issue that opinion at any time it chooses. We believe, however, that the judicial economy gained from a potential settlement will outweigh any delay caused by our request. If the Court agrees, we ask that it afford the parties this brief period to continue negotiating and reach a settlement that could end this litigation.

If the Court has questions for counsel or desires additional information, counsel are available for a telephone status conference at the Court's convenience.

Respectfully submitted,

Todd W. Hesel
